This image shows a detailed view of the LEGO Technic assembly for a ship's hull. The hull is constructed from brown and black Technic bricks. A black arrow points to a vertical axle on the left side of the hull, indicating where a component should be inserted. The assembly includes various internal structures, including a large white sail-like structure on the right side, and a red and black mechanical component at the rear. The hull is shown from a perspective that highlights its internal structure and the placement of various components.
